Would you like the opportunity to be published in a professional newsmagazine?

If so, contact Darren Prevost, 8502 Litchfield Drive, Charleston, SC 29406-9531 or at prevostd@awod.com or at 843-569-0433

The MathMate is the newsmagazine of **The South Carolina Council of Teachers of Mathematics** and is published four times a year. Deadlines for publication of articles are February 1, May 1, August 1, and November 1. Contributions about mathematics, the study of mathematics, or the teaching of mathematics are both welcomed and eagerly solicited. *The MathMate* needs articles, lesson plans, and announcements from around the state. If you would like to be included in our newest column, *From the Classroom*, please include an activity with the following information: SC Standard(s), Grade Level(s), Material(s), Overview, Description of the Activity, Lessons Learned (if any), and Extension(s). Contributions must be typed (for legibility) and signed. While the contribution can and will be retyped as needed, it would be greatly appreciated if it arrives properly formatted, so that only the header and footer need be added. *The MathMate* uses one-inch margins on the sides, and a one-inch header and footer allowance. The font most frequently used is size 12 Book Antiqua.
